**Re: Florence Copper Inc. – Response to Request for Additional Information Regarding Proposed  
Production Test Facility Rebound Monitoring**

Dear Ms. Greenslade:

The attached technical memorandum is provided in response to our recent discussion and request for additional information from Arizona Department of Environmental Quality (ADEQ) staff by telephone on July 20, 2020. The request for information was made by ADEQ following submittal of a Technical Memorandum titled *Summary of Potential Post-Rinsing Water Quality Rebound Effects at the PTF Wellfield* and dated July 16, 2020.

Please feel free to contact us if you have any questions with respect to this submission.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brent D. Berg', with a stylized flourish at the end.

Brent D. Berg  
General Manager
